To: Customer service staff  
From: Raul Cepeda, Supervisor  
Subject: Extended operating hours  
Date: July 23

Some people are averse to shopping online as they don't want to provide their credit card details and personal information on a Web site. They rely on the telephone if they want to make an order. --116--, many of these potential customers have jobs and can only call after office hours. Because our office closes at 6:00 P.M. on weekdays and isn't open on weekends, ordering by phone is not a --117-- option for these shoppers.

Therefore, to make phoned-in orders possible, management has decided to extend operating hours to 8:00 P.M. on weekdays. It --118-- necessary for some of our staff to cover the overtime. --119-- We have scheduled a staff meeting for tomorrow, July 24, at 10 A.M. to work out a schedule for weekday evenings. Please be present at this meeting.
